You okay?
has experienced a lot!

Chaojun

Let go—

How did you just let Sister Shaojun leave with that doctor?
It's Shaojun and you that are.....
Don't say any more!
Are you worried that I won't be able to find a woman?
Don't regard her so highly!
Pah!

Shaojun.
?
I bought some osmanthus cakes from the market. Try one.
Wow! So many!

Now that you've married me, you can no longer brandish a sword or fire a gun.
Don't you regret it?
How could I regret it?
I always... wanted to live the ordinary life a girl ought to live, and was able to forget the past fighting.
Thank you, Zixi.

Leave
I had long heard that that little girl Shen Shaojan had abandoned the life of an outlaw.
Never thought it would be true.

Today, we'll take revenge for everything!!
Yeah!
Right!
Oh, this mob of crows,
what a pleasant dream.
Heh, brothers, no need to be afraid.
Without Shen Shaojun, he alone is no cause for fear.

Boh!
KILL——!!

Call Shen Shaoyan out! Does she really think she'll become a saint by putting down the butcher's knife?
Will she endure and watch you die here? Hahahahaha!
I won't die
NOR WILL I LET YOU HURT HER!

Jiang Luan?
Brother!
Should we tell Sister Shaojun that the Heifeng Camp is coming for revenge?
Of course not!
Just let her live the life she wants!

Shaojun.....
You mustn't come out!

Because...
I WILL PROTECT YOU!
